Example
John  This is a photo of Kathy’s birthday party last week.
Peggy  She isn’t very happy. Why?
John  Her husband held a surprise party for her. She doesn’t like surprises.
Peggy  Is she unhappy because of the band behind her?
John  Well, yes, the music was not that good....

One: Peter
John  Well, Peter, Kathy’s husband thought it a good idea. Can you see his happy smile sitting there? He still thinks he can make Kathy happy at the end.
Peggy  Who are in the band?
John  They are all family members and good friends.

Two: Jack
Peggy  Really? That’s nice! Who is the boy in the hat?
John  That’s Jack, Peter’s brother.
Peggy  Well, the piece of cake in his hands is only for Kathy, it’s not very big...
John  That was another problem. Kathy doesn’t eat cakes, she is on a diet.

Three: Jane
Peggy  Is the girl on the left side Jane, Kathy’s and Peter’s daughter?
John  Yes, you’re right, that’s Jane playing those funny instruments.
Peggy  She was only ten when I last saw her. She is a lovely young lady now.
John  Yes, she is at university. She wants to be a doctor.

Four: Mark
Peggy  Who is the boy with the curly hair standing behind Kathy?
John  He is Mark, Jane’s boyfriend. Kathy does not really like him.
Peggy  It is nice of him to come to the party then.
John  Well, he tries everything...

Five: Maggie
Peggy  I remember the girl in the glasses next to Mark! That’s Maggie, Jane’s best friend from school!
John  Yes, they are still good friends.
Peggy  How did the party end? Was Kathy happy?
John  Yes, of course. The band stopped the music, Peter ate the cake, and Kathy invited all of them for dinner. It was a great party.
Text for Task Two: Making Notes

Peter Tell me about your new house, Martha. Are you happy there?
Martha Oh, it’s lovely. You know with our new baby we are five. This house is big enough for five people.
Peter Where is the house? I know you wanted something in the town centre.
Martha Yes, because the two big children go to school. But we found a house by the river. It is not in the centre, but there are good schools around.
Peter How many rooms are there in the house?
Martha One bedroom for Tom and me, two bedrooms for the children, and a bathroom upstairs, a big livingroom, a dining room and a kitchen downstairs. Let me see: that’s six.
Peter What colour is the house?
Martha The walls are yellow, the roof is red and the front door is blue. It looks very nice.
Peter Wow, very colourful...So, I know the house is not in the centre. I think there is a garden. Your big family needs a big garden. Am I right?
Martha Well, I wanted a big garden, but the garden is small. But the house is by the river, so we go for long walks, and the children can play outside.
Peter What about shopping? Are there shops or big shopping centres around?
Martha Yes, there is a big hypermarket not very far.
Peter I can hardly wait to see it. When can I visit you?

Speaker

On a sunny day the Green family went to the beach. The children wanted to go by train or bike, but finally they went by car.

They left the car in a big parking area and walked down to the sea. Margaret lay down on a towel and read her novel. Ken played football with Rick. Betty started to look for seashells. Dave built a big sand castle.

They had a picnic lunch. After lunch they all had ice cream and drinks.

In the evening they all went to bed early, because they got very tired.
